

# 58" WALK THROUGH BATHING TUB

**Model:**  
**GB58WT-R**  
**GB58WT-L**  
**GB58WT-C**

Our lift & slide ramp allows for the animals' ease of access and smoothly slides away underneath the tub for your convenience. The tub is constructed of 304 stainless steel, strategically welded and double sealed to guarantee its lifetime of abundant use. Featured is a high back splash and side walls to protect against splashed and shaken water. The backsplash features our multi-lock-restraint system to secure a safe and comfortable restraint. Plumbing Kit and other accessories available!

*Designed by Experts, Trusted by Groomers*

- **Faucet holes and drain are available on the left, right or center. Ramp is located on the opposite side of drain.**
- **The drain hole is 3 1/2" in diameter and is centered from front to back in the tub, which puts the center of the hole at 12" from the front and 12" from the back and 7 1/2" from the side of the tub.**
- **The three faucet holes are 4" on center. The holes are 1" in diameter and are up 18" from the bottom of the tub basin or approximately 39" from the floor. From the backsplash, the center of the first hole is in 5", the middle hole is in 9" and the last hole is in 13".**
