

58" WALK THROUGH ADA BATHING TUB

Available Models:

- GB58WTADA-R (Faucet side)
- GB58WTADA-L (Faucet side)

*R and L indicate plumbing location

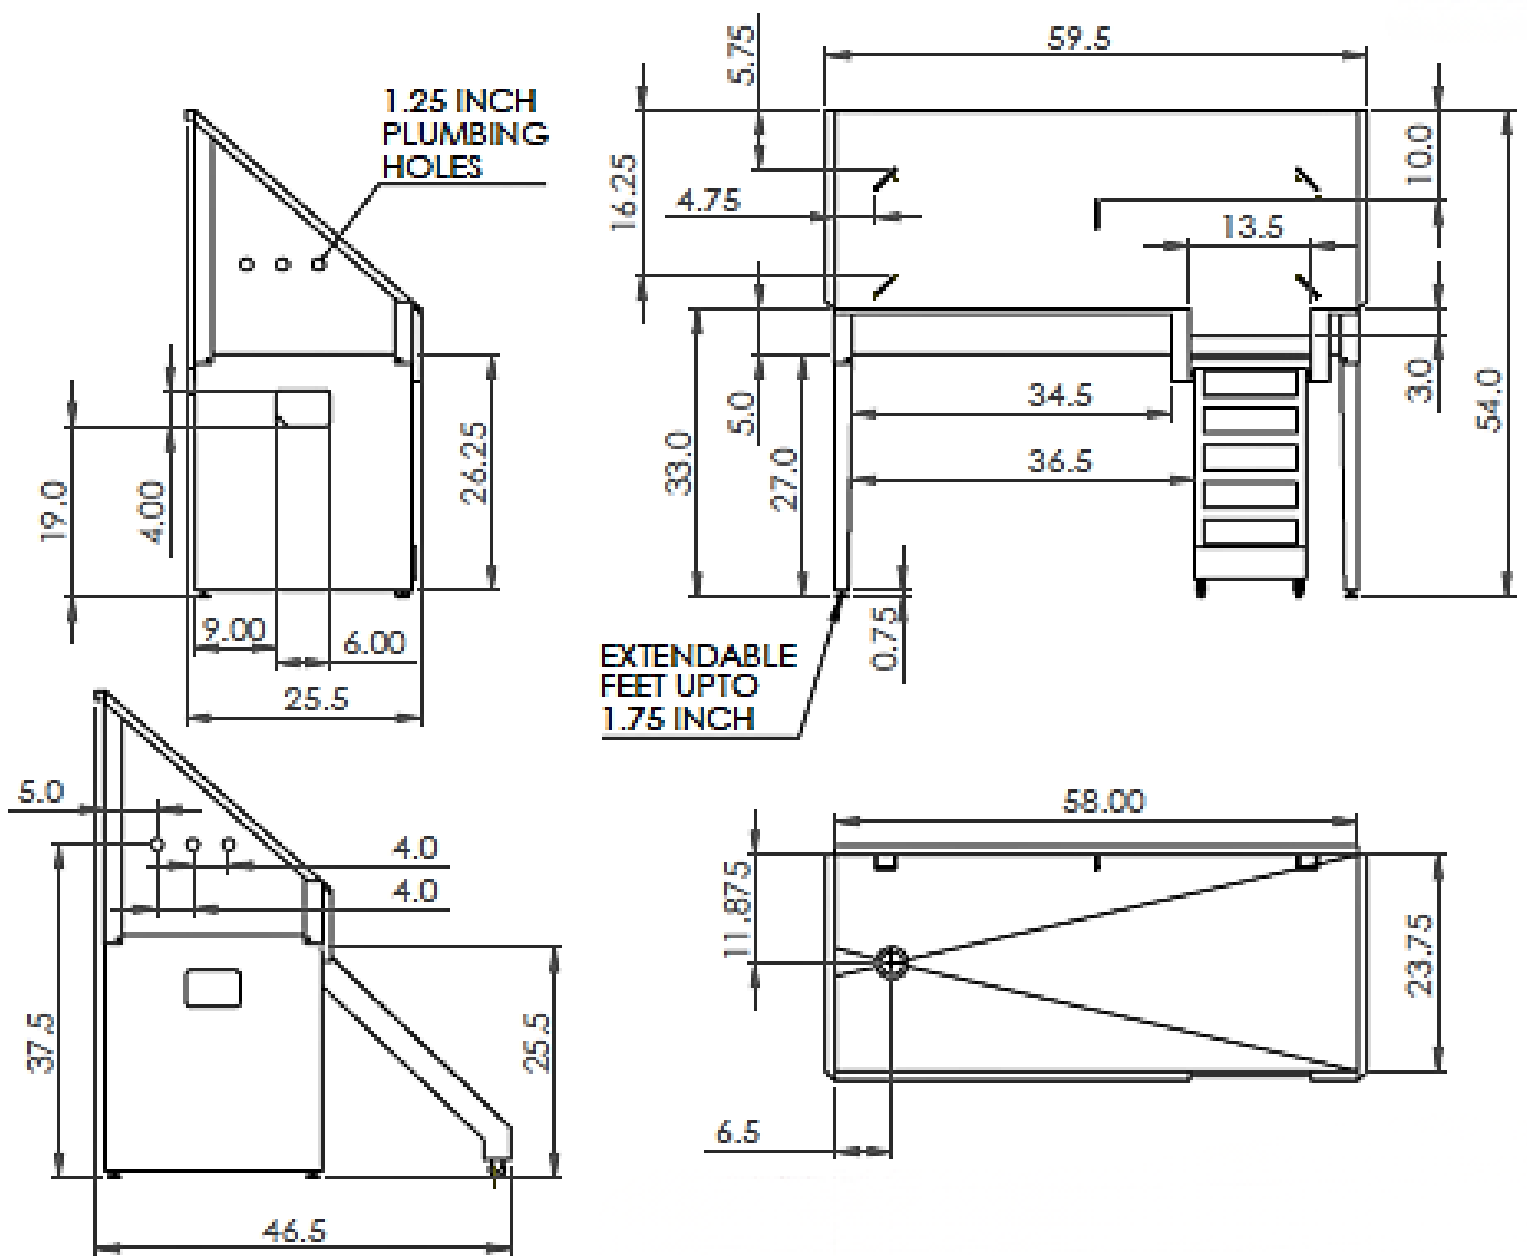

Groomer's Best ADA-Compliant Bathing Tub System offers all the features today's groomers want and need. This tub is 6" deep and built with taller legs to provide easy access for individuals in wheelchairs. The faucet and sprayer are lowered for comfortable reach. Perfect for animals of all sizes, it includes a sliding ramp for easy entry. The tub is strategically welded and double-sealed. It also features a removable door and lower-positioned animal restraints. Specify right or left plumbing. Ramp will be opposite of the drain for maximum leg room. Raised floor grates, plumbing kit, and other accessories available!

Features

- Strategically welded and double-sealed
- ADA compliant
- Handcrafted in the USA
- 3 Year Warranty
